

Spring Time

WOVEN TABLE
RUNNER

It is plain weave, simple project, easy to weave. It uses changing colors of weft. You can choose different colors or make the project shorter/ longer if you choose - the yarn I used is available in multiple beautiful colors.

Using direct method of warping. Warp 110 ends.

W E A V I N G

Start with the off white yarn and weave 5 picks, then make a hemstitch. Weave next 35 picks with the off white (or 4" wide stripe on the loom). Then using chart 1 weave next color - start with old pink and weave 35 picks (4") stripe. Continue according to the chart 1, finish with off white and hemstitch.

Wet finish and dry flat.
